MAP 11: DISCOVERY ISLANDS

Map Printed: April 2003

Revision Date: June 10, 2004

Please note, in keeping with a more contemporary title that covers this area, we have changed the name from Georgia Strait – North to Discovery Islands.

The campsite on Sturt Island is no longer there, this land has been developed and a cabin has been built there. There is some still camping found on the Peck Island.

General Comments

Please note the larger islands adjacent to Octopus Islands Marine Park are private property, respect their privacy.
