MAP 5: KYUQUOT SOUND

Map Printed: June 1997

Revision Date: June 10, 2004

General Comments

Please note, use Tides and Currents Volume 6 not Volume 5 as mentioned.

The area code for most of British Columbia is now (250) not (604).

The toll free telephone number for Nootka Sound Service is no longer in service.

There is no campsite adjacent to Yakats Rock.

The campsite located next to the abandoned whaling site in Cachalot Inlet is overgrown and not available.

There is a small campsite due south of Amai Point next to the stream that can be used as an emergency.

It is recommended that you register at the Band Office in Kyuquot Village before continuing so they know how many users are in the area.
